**The final list of the freestyle events will be determined after the classification on Friday 20<sup>th</sup> of October.**

**Some dancers still don't have a confirmed classification, because of this they have been drawn in both classes. The dancers marked with a (x), will be taken out of the list if they do not change classes after classification.**

**For example: Bervoets Elien has entered the competition in class 2 and still needs a confirmed classification. If after the classification she is a class 2, she will be removed from the list "womens freestyle class 1" and take her spot as drawn in the "womens freestyle class 2". Because of this case, women freestyle class 1 will be started by *Torres Cajero Guadalupe Jazmin MEX*.**
